Endocrine Pathophysiology (Paperback)

By Eric I. Felner, Guillermo E. Umpierrez

Lippincott Williams and Wilkins, United States, 2013. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Endocrine Pathophysiology offers a comprehensive introduction to diseases of the endocrine system. Rather than providing an overwhelming amount of content on one subject, this book serves as a bridge between basic endocrine physiology and endocrine disorders. Included in the text are case studies covering a variety of endocrine disorders in both inpatient and outpatient settings. With the changes in many medical school curriculums to a clinically-based curriculum, this book provides a cutting-edge approach to endocrine pathophysiology.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
