Importance of Positive Leadership in Today s Health Care Management is a tool, a roadmap, a true weapon to conquer the future as the health care industry is becoming a dynamic and more challenging business. Through this book, positive leadership is proved to be vital in this time of change in spite of the challenges surrounding the leaders work today, and fundamental in the administration of health care organizations. The first chapter is the introduction. The second chapter presents a review of the literature. The third chapter describes the methodology used. The fourth chapter constitutes a specific analysis of all the data withdrawn from the books about great leadership s importance. Finally, the fifth chapter includes a summary, proposed recommendations for resolution, and conclusions that can be drawn. However, this book is strongly recommended to anyone who wants to be an efficient leader in any field, because it can help develop qualities of good leadership essential for career success.
