See You Next Year (Hardback)

By Andrew Larsen

Owlkids Books Inc., Canada, 2016. Hardback. Book Condition: New. Todd Stewart (illustrator). 287 x 198 mm. Language: English . Brand New Book. Every summer, a girl's family drives down the same roads, passes through the same towns, and spends a week at the same beachside motel. Year after year, everything is comfortingly predictable: the families they see, the rhythm of the days, the stars, the bonfires, and even the pattern the tractor makes as it rakes the sand on their beach. But this year, something is different: the girl, our narrator, meets a new friend who shows her how to dive under the waves and spot satellites in the night sky. When it's time to go, she's sad to part ways. But she knows she can look forward to seeing him next year. Illustrated in a restrained, retro palette, this story perfectly captures the timelessness of a summer holiday. The effect is nostalgic and almost hazy, as if seen in a dream, a memory, or through the shimmering air of a hot summer day.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
