Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Fitz John Porter: Commissioner of Public Works to Andrew H. Green, Comptroller of the City of New York; December 2, 1875 Sir - On the 2d of September you addressed a letter to His Honor the Mayor, reflecting upon his supposed inattention to what you were pleased to term the wasteful expenditure of the public moneys through this Department. The Mayor forwarded the letter to me - an unnecessary attention on his part, as you do not detain an expectant public - but, disregarding the restraints of official courtesy, promptly give your official correspondence to the press. To your letter I replied, September 20th, and sought to answer your allegations, because, holding an office of dignity and power, you are, by some people, supposed to be, what I purpose to show you are not, a person whose statements are entitled to respect. My correspondence with you and about you has, thus far, been conducted with patience and courtesy. I sincerely regret that the tone of your letter and the inaccuracy of your statements, compel me now to plainer language than I should in another case have chosen.
