Brand New Book ***** Print on Demand *****.After being kicked off the bus for smoking pot in the bathroom, Michael finds himself stuck in the middle of nowhere with nothing to do but kill some time. As he wanders around the half-deserted remains of an old mining town he comes across an abandoned amusement park, and four teenagers all dressed up in costume. Too many days on the road and too many puffs on the joint have left Michael clueless to the fact that it is actually Halloween. A fact that the vampire costumed Ricky is only too quick to point out. Along the way the kids argue about what exactly went on in that old farmhouse that left it haunted and full of mystery. Each one has their own theory, based of course on their own deep-seeded fears. And when they come upon some magic mushrooms that Michael discovers growing in some cow dung in a farmer's field, their fears and anxieties begin to take center stage. Reality comes into question. Fears turn into suspicion. And madness erupts all around them. Will they succumb to their deep down fears of...
