Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Brand New Book ***** Print on Demand *****.Hawkman takes Jennifer into the hills on the back of the Polaris 4-wheeler to show her the Bald Eagle nests. On their way, Jennifer spots a Golden Labrador in the field. The dog signals them to follow. They jump off the Polaris and the dog leads them to a fourteen year old girl who has been injured. She didn't speak, but could hear and make gestures. When Hawkman suggested they take her home, she refused. Knowing a doctor needed to check the girl's swollen ankle they took her to Hawkman's place, then to a retired doctor who lived at Copco Lake. Through a series of notes and sketches Hawkman and Jennifer discovered the girl's name was Babs Smith and her dog was Lucy. Her home had been invaded by a couple of criminals and she'd fled but was worried about her Mother and Father. Hawkman called Detective Chandler and they soon discovered Babs' mother had been taken as a hostage by two bank robbers. When Babs returned home to stay with her crippled father, Luke, she decided she and Lucy would go find her mother, Annie. They struck out early one morning before her father knew they were gone. They had no phone or electricity and the crooks had stolen her father's pickup, so he had no way of getting help. Hawkman had entered the picture along with the police and they found Luke's abandoned truck. Babs had been raised in these hills, however, the sprained ankle and using only one crutch hindered her. The crooks, Howy and Glen, soon discovered Babs and took her as a hostage too. Many adventures...
