ABC OF THE UPPER GASTROINTESTINAL TRACT (PAPERBACK)

Bmj Publishing Group, United Kingdom, 2002. Paperback. Book Condition: New. 292 x 210 mm. Language: English . Brand New Book. A new edition of a very popular volume in the highly regarded ABC Series, and a new addition too. With over 40 titles in print, and over 1 million copies sold, the ABC Series covers most topic areas in all the major specialties. With new titles and new editions constantly in preparation, this is a lively and up to date source of knowledge for those in primary care, and for residents and students. The two column layout, with relevant illustrations alongside the text, approximates to the illustrated lecture, making ABCs the most effective tools for rapid assimilation and understanding. Their worldwide distribution in over 13 languages is testimony to their enduring quality. Announcing a special marketing program! Starting this month, and running through the end of November, enhanced discounts are available to trade customers ordering all ABC Series titles - notices with full details have been circulated, but if you have any questions please do not hesitate to contact us. Color flyers are being mailed widely to bookstores and libraries, and as part of a promotion to medical schools (ABC titles have been adopted as textbooks for some courses, and we are working hard to get still more).
