

## Alzheimers Disease (Paperback)

---

By Sally Pederson

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Unbelievably, one out of ten people over the age of 65 have Alzheimer s disease. In fact, in a recent statistic polls, almost 19 million Americans suffer one way or the other from this dreaded progressive disease. Alzheimer s disease is considered the 7th leading cause of death in the United States in 2004. The death toll continues to rise every year. The disease is the third most costly in the U.S. Heart disease and cancer are the first and second most costly respectively. It is recorded that there 24 million people with dementia worldwide, the figure will more than double by 2040. Alzheimer s information is important for individuals who may be at the first stages of this disease. However, it is also very important for friends, family and caregivers of people with Alzheimer s disease to have enough Alzheimer s information to be able to understand the process of the progression of the disease as well as what to expect and what is the best care and treatment for this. Alzheimer s is an extremely debilitating...
