At each stage of a trial, the applicable rules of courtroom procedure and evidence are explained. It covers common evidentiary trial issues, such as hearsay and character evidence, and includes the verbatim text for some of the most commonly used California Evidence Code sections and selected case law authorities. Topics covered include: Pre-Trial Motions Discovery Jury Selection Opening Statements and Closing Arguments Direct Examination Cross-Examination Expert Witnesses Hearsay Character Evidence Writings Foundational Requirements for Evidence Objections Deliberations In addition, the handbook describes basic trial tactics, such as how to effectively cross-examine a witness, how to present evidence in the courtroom, and how to make persuasive opening statements or closing arguments. It also contains Trial Tips, practical suggestions for the courtroom not ordinarily found in other legal treatises or law books. Although primarily geared towards criminal law, many of the trial procedures and tactics discussed are equally applicable in civil trials. The handbook is also a great resource for law students or anyone interested in learning the fundamentals of a criminal jury trial.
