Is it appropriate for you as a Christian to defend yourself? How should godly character and your life purpose affect your response to personal danger? Should you defend family members? Or strangers? What kinds of defensive measures are appropriate? The conclusions may surprise you. Civil Disobedience Living an exemplary Christian life may cause you to get into trouble with civil government. God ordained human government and the New Testament says to submit to human authorities, yet the authorities considered Jesus and his disciples criminals. What does it really mean for you to submit? Must you obey a corrupt government official or ungodly laws? This Bible study develops some clear guidelines for civil disobedience that honors God. Larry Fox has more than thirty years of teaching experience in Christian seminars, workshops and adult Bible studies, was founder and dean of his church's school of the Bible, and has written several books. His passion is helping Christians become spiritually mature and discover the person God made them to be. His career includes engineering, management and church business administration. He and his wife Shirley have served as leaders in several churches and ministries.
