But, granting that there is some foundation for all these theories, still the fact remains that, even if cards did exist earlier than the middle of the fourteenth century, the mode of playing with them has not survived. The game of primero, prime, or primavista, is allowed by most authorities to be the oldest known card game. Sir John Harrington, in his punning epigram On the games that have been in request at the Court, has the following: --The first game was the best, when free from crime The courtly gamesters all were in their prime. According to Nares, primero resembled a more modern game called Vambigu; but Seymour, in The Court Gamester, published early in the eighteenth century, gives a different version. Speaking of ombre (quadrille,), he says, It is an...
