CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 40 pages. Dimensions: 8.7in. x 5.8in. x 0.2in. Vertical gardening has become popular for those living in urban or limited space areas, where growing up is the best solution. Also known as green walls or living walls, vertical gardens can be placed in or outside of the home, with as little as 4-square-foot of space, you can efficiently grow vegetables, herbs, fruits or flowers. In Vertical Gardening: What You Need to Know to Grow Organic Vegetables and Fruits for Your Family we share tips and strategies to produce enough non-gmo food that you will skip these items from the grocery store, saving you hundreds in food expense that you can now grow on your own. Learn what plants grow best in a vertical garden, what plants you can pair together to maximize space, how to choose seeds and setting up your garden in your chosen spot. Start growing your own organic vegetables, herbs and fruits today and begin eating healthier, without chemicals or pesticides. An excellent way for a family to bond while growing their own food. Get this guide to accelerate your vertical gardening project...
