Pets Unchained, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As a fellow dog parent, I know that you consider your dog to be one of the family, and love them as you would your own child. While this bond is not understood by others, any dog parent knows exactly what I m talking about. As a dog parent, you probably have tons of photos, and special memories of your dogs. We all do, because they give us so much unconditional love, there are so many opportunities to share special moments. That is why I created My Lab s Journal to help capture those moments and put them into a book that the whole family will cherish forever. How many times have you snapped that one of a kind picture only to have it sit in some drawer, or get lost in the digital world? Now you just print it and paste it into your Lab s personal journal. How many times has your dog done something that touched your heart in a way that you never wanted to forget? Now you just write about it in your Lab s Journal and be able to re-call that moment any time you want for the rest of your life. I wish I would of thought of this long ago for the precious dogs that have crossed the rainbow bridge, for while I still have many good memories, and we talk about them often, how nice would it be to be able to pull out their personal journal and re-live all those memories that might of faded a little with time? I plan on going back and creating a Journal for my beagle named Copper who left me 1...
