Babel Corporation, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Plain English introduces a system of writing clearly and effectively for all writers of English, the world over. In response to the clear emergence of English as the preferred language for both international business and travel, the global lingua franca of the modern age, Plain English is a system that can help writers to communicate their ideas clearly, effectively and directly, ensuring a one-to-one relationship between the author's intended message, and the reader's perceived message. And, while there is a professional focus, of course virtually all of the principles, guidelines...
