Brand New Book ***** Print on Demand *****.Excerpt from Louisina, Products, Resources and Attractions: A Synopsis of Reliable Information Concerning the State The South has the grandest destiny the world ever saw. No people have such a future. Her soil, her climate, her products, her mineral resources, her manufacturing resources, her manufacturing facilities, present a combination of advantages such as are found in no other land. The high moral tone of her people, the strength of her Christian faith, the culture of her highest classes, place the South where no other people stand. The small buddings on the great oak, prove that it has survived the winter, and spring is at hand. The survival of the misfortunes of the past, is one of the grandest evidences of the strength of our civilization, and betokens the coming of a better day. Indeed, that day has already dawned. Go where you may, over the South, you will see evidences of improvement in every department of industry. The fact, that Northern capital is taking possession of the railroads of the South, shows that the North has faith...
