

The Future History of Travel: A Road Trip in a World on Empty (Paperback)

By Tim Gingrich

Createspace, United States, 2011. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.In a world where fossil fuels are fast disappearing, untraveled bookworm Max Versland hitches a ride with a pair of carbon punks whose nostalgia for the nearly extinct internal combustion engine drives them to the last place where a road trip is still possible, China. But their race to recreate the classic road story is routed at every turn by the obstacles of an oil-depleted dystopia. Fusing the imaginative voyages of Jules Verne with the introspective journeys of Jack Kerouac, The Future History of Travel is a thought-provoking narrative about the end of the road and what comes next.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
