By Emma Patterson

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 158 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. For several years of her life, during the Great Depression and later during the Second World War, my Great Grandmother Emma Patterson was a professional cook at the hotel in Spangler, Pennsylvania. She wrote down the recipes that she used at the hotel, as well as those she cooked for her family. When she passed away, she left behind six handwritten recipe notebooks. Now, this collection of old fashioned recipes has been made into a book. Emma must have found work using the best of her talents, because everyone in my family always remembered her as a very good cook. She was famous for her dessert recipes, especially, and the tradition was that if it was your birthday, she would make anything you wanted. You can imagine how that worked out with kids in the family! I hope you enjoy rediscovering these old family recipes, many of which may not have been used for over half a century. I call it kitchen archaeology. -Laura Perkins This item ships from La Vergne, TN. Paperback.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
