Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. Welcome to Manhattan, 2118. A thousand-storey tower stretching into the sky. A glittering vision of the future, where anything is possible - if you want it enough. A hundred years in the future, New York's elite of the super-tower lie, backstab and betray each other to find their place at the top of the world. Everyone wants something, and everyone has something to lose. As the privileged inhabitants of the upper floors recklessly navigate the successes and pitfalls of the luxury life, forbidden desires are indulged and carefree lives teeter on the brink of catastrophe. Whilst lower-floor workers are tempted by a world - and unexpected romance - dangling just out of reach. And on the thousandth floor is Avery Fuller, the girl genetically designed to be perfect. The girl who seems to have it all - yet is tormented by the one thing she can never have. So when a young woman falls from the top of the supertower, her death is the culmination of a scandal that has ensnared the top-floor elite and bottom-floor. But who plummeted from the roof? And what dark secrets led to her fall? Friends will be betrayed and enemies forged as promises are broken. When you're this high up, there's nowhere to go but down.
