

Wok Go: From Yo-Yo Fat to Healthy Slim (Paperback)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was created from my personal, daily journal, which was seven years in the making. It incorporates all the aspects of what it takes to lose excess weight and keep it off in a very healthy way. This book addresses (1) ways to reprogram your mind for success; (2) a detailed account of the kitchen equipment that will streamline the process; (3) a method that combines meal planning and grocery shopping with one piece of paper; (4) cooking techniques that will produce quick and delicious meals; (5) behavioral tips on how to maneuver through social situations so you can adhere to the eating strategy that will give you a slim and healthy body; (6) a discussion of sugar addiction and how to break it; and (7) why we now have an obesity epidemic and how to stop it. The contents are in alignment with the books ?The Blood Sugar Solution? by Dr. Mark Hyman and ?Grain Brain? by Dr. David Perlmutter. At age sixty-seven, I now have a slim, healthy, and energetic body with the mental acuity of someone in their forties. I reversed the onset of Type II diabetes, regained my mobility, and feel better than I have in decades. ?Wok Go? is a step-by-step guide explaining how I did it.
