

The Battle Abbey Roll, Vol. 1 of 3: With Some Account of the Norman Lineages (Classic Reprint) (Paperback)

Filesize: 4.52 MB

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

(Prof. Edgar Kshlerin)

THE BATTLE ABBEY ROLL, VOL. 1 OF 3: WITH SOME ACCOUNT OF THE NORMAN LINEAGES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Battle Abbey Roll, Vol. 1 of 3: With Some Account of the Norman Lineages No one can be more sensible than I am myself that the task of investigating the Battle Abbey Roll should have been committed to more competent hands than mine. My only excuse for attempting it is that it has in reality been un-attempted hitherto, as Sir Bernard Burke, in his commentary on Holinshed's list, has only dealt with two hundred and nine of the best-known names, passing over the remaining four hundred and twenty without notice, and Sir Egerton Brydges' brief and peremptory annotations were evidently made in haste, and refer to an imperfect copy. From being a resident at Battle Abbey, and entertaining a higher opinion than is expressed by many of my contemporaries for the scum of Bretons and rags of France that conquered and colonised England, I have felt an interest in the subject, and a desire to do my best, at all events, towards elucidating it For this purpose I have waded through many county histories, peerages, and other volumes that are scarcely lively reading, but I have received most assistance from The Norman People and the Recherches sur le Domesday. Chartularies and public records appear to be the only reliable guides in the study of genealogies, for the Visitations furnish no dates, and I own to having been lost in amazement at some of the pedigrees furnished by the heralds. Take one instance only. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
