

The Sex Myth

By Brooke Magnanti

Paperback. Book Condition: New. Not Signed; Why everything the media tells us about sex is wrong .Is there any truth to the epidemic of sex addiction? Are our children really getting sexualised younger? Are men the only ones who like porn? Brooke Magnanti looks at all these questions and more - and proves that perhaps we've all been taking the answers for granted. Brooke Magnanti is no stranger to controversy. As Belle de Jour she enthralled and outraged the nation in equal measure. Now her real identity is out in the open, Brooke's background as a scientist and a researcher can come to bear in her fascinating investigation into the truth behind the headlines, scandals and moral outrage that fill the media (and our minds) when it comes to sex. Using her entertaining and informed voice, Brooke strips away the hype and looks at the science behind sex and the panic behind public policy. Unlike so many media column inches, Brooke uses verifiable academic research. This is fact not fiction; science not supposition. So sit back, open your mind and prepare to be shocked . book.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
