Most importantly, your dog is there by your side when you need a listener. Oh, if your dog could only talk to you. Well, here is a dog that does. If you are fortunate, you will at some point in your life have a pet dog that you can call your friend, and doubly fortunate if the dog can call you a friend. Spade, a black Labrador was that kind of dog. During the fourteen years of his life from a puppy to an elder adult, he truly was our family s best friend, as we were his best friends. You already love dogs or you would not have selected this book to read. In Pals Forever, Spade tells his story in his own words. Perhaps his recollections will cause you to reflect on the fond memories of a dog that was once your best friend, and to reflect on those long ago memories of you being his best friend. Join a black Labrador on his journey, and be reminded of the simple pleasures of raking leaves, only to play in the pile, and taking long walks just to see what might be stirring in the woods, or hunting upland game birds on a colorful warm autumn day. If you are not already convinced that having a dog will make you a better person, Spade will convince you.
