Brand New Book ***** Print on Demand *****.This is a history of Christian Church in the centuries after the death of Christ, and the way in which it spread across Europe. From the preface: IN this second and concluding volume I bring down the story of the Church of the West in the Middle Ages to the transfer of the Papacy to Avignon. History, as Freeman has taught us, is continuous, and all breaks are unreal. Nevertheless, the transfer of the Papacy marks the virtual close of the Middle Ages, and the beginning of a new epoch. With this new chapter in the history of the Church of Christ I purpose dealing in a future study of the Reformation, using the word to indicate not merely the resultant, but the various divergent forces of which it was the outcome. For the Reformation that succeeded is one with, and can only be understood by its relation to the reformation that failed; Wyclif must not be isolated from Luther, nor Constance from Worms. But if further defence be needed for ending the Middle Ages with Avignon., I must refer the reader to what I have written. My object in this and other volumes will not be so much to give the details of events, -for this I shall refer the reader to suitable Authorities, -as to indicate the forces and tendencies, external and internal, whereby the Church has been moulded for good or evil. I write under the conviction that history is a progress and not a cycle, and that every generation contributes something to the spiritual heritage of mankind. Such progress involves the continuity of the one life of the Spirit manifesting Himself in different ways...
