

Storyboards 2 (Mixed media product)

Filesize: 2.74 MB

Reviews

It is in a single of the most popular ebook. Better then never, though i am quite late in start reading this one. You will not feel monotony at at any moment of your own time (that's what catalogs are for about when you request me).

(Alphonso Flatley IV)

Speechmark Publishing Ltd, United Kingdom, 2009. Mixed media product. Book Condition: New. 1st New edition. 381 x 257 mm. Language: N/A. Brand New Book. StoryBoards 2 follows the same successful format as StoryBoards , but introduces fantasy locations and suggests activities and outcomes to encourage children to understand how to develop imaginative writing. The activities provide a framework which helps them to use their imagination to invent their own storylines and endings. The story elements include: Where did you go? (e.g. desert island, under the sea, fairy castle, underground, dark forest, outer space); When did you go? How did you get there? What did you see? How did you feel? What happened? An example is: Where? - a visit to a fairy castle; When? - in the morning; How? - magic carpet, dragon s back, space rocket, hot air balloon; Saw? - wand, harp, jewelled crown, suit of armour; Felt? - choose from emotions pack - happy, sad, excited, scared; and, What happened? - changed into a frog, rode home on a dragon, woke up. StoryBoards 2 can be used effectively with both individuals and groups. Individual boards are provided for use by up to four players at a time, but when more children are involved they can work in pairs to develop individual stories or work on a single story as a group. This title is suitable for ages: 4-11.
