Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: .with one quart normal salt solution before operation. It was necessary to repeat this several times during performance of operation, owing to the enfeebled condition of the patient. She died thirty-six hours after leaving table from shock. The intravenous injection is given credit for completion of operation; without it death would have resulted on the table. Case IV. J. C, colored, aged 26, married six years; sterile. Multiple fibroid tumors of uterus. Myomectomy performed in this case. Tumors varying in size from a cocoanut to a filbert were found. The uterus, right ovary and tube were preserved. Patient discharged eighteenth day after operation; left hospital twenty-first day for her home. It has been customary heretofore in cases of this character to sacrifice the uterus and ovaries. This should never be resorted to when possible to prevent it. Suprapubic Cystotomy for Vesical Calculi. J. S., colored, aged...
