Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **Types of Children s Literature: A Collection of the World s Best Literature for Children, for Use in Colleges, Normal Schools and Library Schools** This collection of specimens of children s literature has evolved itself naturally and, as it were, inevitably out of the editor s experience in teaching classes in children s literature in normal school and college, and it is published in the belief that other teachers of this subject find the same need of such a book that the editor has experienced. For it is obvious that if we are to conduct classes in children s literature either for general culture or for specific training of teachers, we must have specimens of children s literature readily accessible to the students. We must bring students to a knowledge and appreciation of any author, period, or type by having them study representative selections, and this principle applies as logically to courses in children s literature as to courses in other kinds of literature. **Types of Children s Literature** is intended to provide students of the subject with a single-volume anthology of prose and poetry illustrative of the different types, styles, interests, periods, authors, etc., of writings for children. There are, of course, many collections of specimens of children s literature; but they are all made as reading books for children and, consequently, are unsatisfactory, in some important respect or other, as source books. Moreover, these collections are published in several volumes and contain much that is mediocre and trivial. As far as the editor has been able to discover, there is but a single one-volume collection, and that collection, having been compiled solely for...
